Ryan van Lil-Reddy

Lust for Life

Amsterdam, North Holland, Netherlands

Summary

I have long searched for what I want to do to make this world a better place, I have attempted

Direct-sales of good causes, Journalism, management, i've been a chef, sidestepped into modelling and acting, the list goes on-and-on, you can check the rest of my linkedin for more.

Alan Watts once inspired me to just go and do that which really makes me happy.

And warned me to do it so much, i could get really really good at it. and here I am.

Currently hacking away at a bachelor of Computer Science Engineering.
